09:30:51

Cannot identify the object "[WebEdit]" (of class WebEdit).
Verify that this object's properties match an object currently displayed in your application.

Object's physical description:
xpath = //input[@id='summary']
Mercury Class = WebEdit

A screenshot of a web browser showing the Jira issue page for JIRA5678-33. The browser's address bar shows the URL 'jira5678.atlassian.net/projects/JIRA5678/issues'. A notification at the top states, '"Micro Focus Functional Testing Agent" is debugging this browser' with a 'Cancel' button. The Jira interface includes a top navigation bar with 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps', along with a 'Create' button. The main content area is titled 'Open issues' and shows a list of issues. The first issue is 'sdfdfsd' with priority 'JIRA5678-33'. The left sidebar contains links for 'Back to project', 'Issues and filters', 'My open issues', and 'Reported by me'.

Object's physical description:
xpath = //input[@id='summary']
Mercury Class = WebEdit

A screenshot of the same Jira issue page as above, but with a Zoom application window overlaid on the right side. The Zoom window has a title bar with 'Zoom' and a close button. Inside the window, there is a large circular loading spinner and the text 'Connecting...'. The background Jira page is partially visible behind the Zoom window.
